TIN CAN HILL Ranch, Esther & Garry Clements

Our production sale gives buyers “ A SELECT OPPORTUNITY ” to purchase Showgoats from the heart of our herd. We have a select group of Wethers and Doe kids from our “Ennobled” herd Sire “ S2 Cowtown Cat”, and other outstanding herd bucks. We will have 20-30 wethers nominated for the Arkansas Bred Wether Program, 10-15 Doe kids from our Percentage to Fullblood program, and a couple of Fullblood buck kids in the sale. All the kids were born from Feb. – April. We are proud of the quality of kids we have selected for the sale and want to share this opportunity with you. We have been successful showing and put together a select group of animals that breed true to the Quality Standard we expect. Our program has produced the high selling Wether at the Faulkner Count Fair. We have sold wethers that have won other county fairs and been class winners at the Arkansas State Fair. We have also sold does in Oklahoma that have stood in the top 10 at 2011 Oklahoma Youth Expo.

Viewing will begin at 10 a.m. Sale Day, or before the sale by appointment. All animals will be floor priced based on our assessment to accommodate a gentleman’s auction procedure. We cordially invite you to come view, select, and buy quality the old fashioned way “offline”.
